COUNCILLORS' AND DEPUTY MAYOR'S COMMENTS

Councillor Groulx – I want to express my gratitude to the community people taking care of us including staff at the grocery store, bank, pharmacy, hardware store, gas station, garbage pickup, and all the other people out there. I want to thank the Town staff for their hard work behind the scenes to keep us safe and working. To the volunteers who have delivered over 200 bins, hundreds of calls; to those people I say thank you and our community is richer for you. We will get through this and be stronger as a community.

Deputy Mayor Henderson – Well said Councillor Groulx. Debbie Lord is checking in on the youth in town. There are issues with children's meals and people that need help. People would love to help and provide support. Let us know and we can help them.

Councillor Bishop – I have been getting phone calls every other day from volunteers and check-ins. I really appreciate it as we are all segregated now and limited contact. It feels like a little island by ourselves and it means quite a bit to get a nice call and help. This really means a lot and I appreciate those that signed up to make those calls.

Councillor Gumushel – I noticed in the Staff Reports that there may still be residents feeding the deer. Please stop feeding the deer and if this continues, we may need to increase fines. Reiterate to people to not make non-essential travel to town and thanks for all the hard work
