Council directed staff to develop a presentation for a meeting prior to the Council Meeting on June 1 to get public input on the proposed pilot project.

QUESTION PERIOD

1. Are the wharf repairs/upgrades going forward as previously planned?
2. The owner of the Red Herring is willing to speak to Council on the Encroachment request.
3. If we close off Water Street to pedestrians, it would help with the social distancing.
4. Water Street should not be closed for pedestrians.
5. If something is zoned a tourist commercial lot in the Town Plat, can a food truck be located there?
6. Some towns are providing businesses with money to cover personal protective equipment costs, Plexiglas, etc. Rather than changing Water Rates.
7. With people who rent that run restaurants they pass on the water bill to us and I would bet we pay all of the water bill that is to use because of operation.
8. I agree with this. Personal protective equipment would be beneficial to all businesses in town.
9. Oh yes on the personal protective equipment. I have spent a lot so far. Help would be nice adapting to this situation that changes weekly.
10. Can the Canada Day celebration cancellation money be used for personal protective equipment for businesses? I believe that was a savings of \$15,000.00
11. Can you explain more about Airbnb regulations? Can all current short-term rental units be grandfathered in? Can one house have one unit as a long-term rental and one as a short-term rental? Dual use?
12. Has any thought been given to the access for emergency vehicles? Has the RCMP, ANB, and SAFD been asked for comment?
13. Dear Mayor Naish and Councillors, warmest greetings from across the Atlantic and the Town of Thorpe St. Andrews, U.K. Pleasure to join your meeting once again. We are delighted that you are making progress out of the COVID-19 lockdown and we wish you and the Town every continued success. It has been an exemplar of community leadership. We have been thinking and praying for your community. We were so pleased that Hunter Henderson entered Fr James Stewart's Rainbow Challenge at Thorpe St. Andrews Parish Church. It was a real boost for our community knowing you were supporting and thinking of us as well. Hunter won the "international Category" and was mentioned in our regional newspaper! Our primary school children of key workers have painted a display of Canadian themed wildlife for a window display. I would be delighted to hear from any community groups who may like to link-up, our Scouts are very keen to write. With our very best wishes and every continued success and safety to you and all residents of Saint Andrews. Councillor Ian Mackie, Community Goodwill Ambassador.
