

St. Andrews, NB

September 16, 2021 – 9:00 am - 4:00 pm

The **Collaborative for Healthy Aging and Care** along with its partner, the **NB Continuing Care Safety Association** are happy to offer through funding received by the Public Health Agency of Canada, Dementia Community grant:

Gentle Persuasive Approach training (GPA)

An innovative dementia care education based on a person-centred approach

What is GPA?

Learn how to defuse challenging and disruptive behaviour before an incident escalates to a crisis. Improve communication by establishing a common language. Boost confidence to intervene both verbally and physically. Alleviate the stress and anxiety associated with confusion or uncertainty in crisis moments. Reduce the risk of injury by learning safe physical interventions.

Maintain a safe, caring, and respectful environment for those you may serve.

Who should attend?

Staff in retail and restaurant services, family caregivers, community volunteers, public employees including law enforcement...anybody who may encounter someone with dementia in their day-to day activities.
