

TOWN OF SAINT ANDREWS

SUPPORT THE SAINT ANDREWS FIRE DEPARTMENT THROUGH THE NEW BRUNSWICK WEEKLY 50/50 DRAW

Each year, firefighters in New Brunswick fundraise thousands of dollars for various causes. For some, they may be upgrading their level of service with a new piece of equipment or apparatus. For others, it may be a means to support other charities or community organizations in need or to preserve the history of their local accomplishments. As a common goal, all organizations do this to make their communities a better and safer place to live!

For every dollar of tickets purchased, 50% goes to the weekly winner, one winner for the whole province. Each person who purchases a ticket can pick the Fire Department they want to support and 35% of their ticket money goes directly to the Fire Department.

Help support the Saint Andrews Fire Department by participating in the weekly 50/50 draw.
