

TOWN OF SAINT ANDREWS

The Town of Saint Andrews will be flushing water mains as part of the yearly maintenance program. Flushing will take place on **Tuesday, April 26, 2022**, and **Wednesday, April 27, 2022**, between the hours of 8:00 a.m. and 4:00 p.m.

This flushing could cause low water pressure and you may experience discoloured water. Please run your cold water taps until the water becomes clear. We suggest you refrain from doing laundry during the flushing. For further information, please call the Town Hall at (506) 529-5120.

The Town thanks you for your cooperation and apologizes for any inconvenience this routine maintenance practice may cause.
