

TOWN OF SAINT ANDREWS

MUNICIPAL CONSTRUCTION UPDATE JUNE 16, 2022

The Town of Saint Andrews would like to notify the public of the current municipal construction projects taking place:

Princess Royal (Montague to Parr & Parr to Carleton)

- Asphalt work complete.

Prince of Wales – Dragonfly Driveway to Augustus St

- In-ground infrastructure should be completed by Friday (weather permitting)
- Base asphalt to be installed within two weeks.

PLEASE NOTE – Public can drive their vehicle around the point (Water St side) as far as the Point Park Only (across from the sewer lagoon). Attached are photos of the laydown area beside the walking trail, so trail users should also be advised to take caution when crossing Prince of Wales St from one side of the trail to the other.

Bar Road

- Asphalt shoulder to be completed by the end of the week.

Sophia Street (between Prince of Wales and the Passamaquoddy Lodge Property)

- In-ground infrastructure work is expected to begin the week of June 20th.

Future Projects – These dates will be determined once the above projects are completed

Ernest St (Water St to Dead End)

Ernest St (Water St to Queen)

Ernest St (Carleton to Prince of Wales)
